PASTOR'S CORNER: "STUDENTS"

We have all spent time studying the Bible. We know the stories. We know the story of Adam and Eve. We know about Noah and the great flood. We know all about Abraham, Sarah, Isaac, and Jacob. We love to talk about Moses and the Israelites wandering

around in the wilderness – even about Joshua and his great conquest. We know about the prophets and the kings. We have read through the psalms, (we even know Psalm 23 by heart). We know who Jesus was and what he did. We know about the disciples, about the book of Acts and the issues that the early church faced after Jesus' resurrection. We have read the Epistles, and even though Revelation confuses us we like to read about the wild beasts and all of the crazy numbers and try to make sense of the future.

We have allowed ourselves to become students of the Bible in order to understand God. But in doing so, we have *neglected* to show interest in the one thing that God has instructed us to love as much as we love ourselves – ***our neighbors***.

The time has come for us to become true students of our neighbors and our culture. And I'm not talking about the culture within our church walls. I think we're very familiar with that culture. But I don't know how familiar we are with the culture outside of our own little comfort circles.

"You shall love the Lord your God with all your heart, and with all your soul, and with all your mind." This is the greatest and first commandment. And a second is like it: 'You shall love your neighbour as yourself.' On these two commandments hang all the law and the prophets."

Matthew 22:37-40

THANK YOU

Dear Grief Committee,

Craig and I can't begin to thank you enough or express how much it has meant to the family for you to do all that you did after Mr. Stanley passed away. The paper goods, the cooler of ice, Wednesday night plates, and coordinating and serving our family lunch after the service was all overwhelming to us. Your kindness and care brought comfort, relief, and peace-of-mind during an extremely difficult and challenging time, and we thank you so very much.

Mr. and Mrs. Stanley were so blessed with many special friends, and their church family and friends were no exception. We will always remember and be grateful for your love and support, and hope you will share our gratefulness with the FBC congregation.

With love,
Craig & Elizabeth Stanley

# FBC SPOTLIGHT

*This month's Member Spotlight highlights the Youth Mission Trip.*

On Sunday, June 17th, four of our youth (Andrew, Bridger, Emily, and Mitchell) and three adults (John and Tina Sauls and Pastor Ryan Clore) departed Whiteville First Baptist Church at 7 am. Our six-hour trip to Burtonsville, MD. turned into a 9-hour ride due to the excessive traffic between Richmond, VA. and Washington, DC. We were the last to arrive at Liberty Grove United Methodist Church in Burtonsville, but it didn't take long to get settled in and catch up to everyone else.

After eating supper, we went to the chapel for a few quick games to get introduced to the people we would be spending our week with. This is also the time where we met the people that we would be serving with, and learned about the jobs we would be performing. Each of us was assigned to a group that was made up of six to eight people, and we all had different jobs. Being the first week of the trip, some of our groups had several different jobs during the week while some of the bugs were ironed out.

Our jobs this year were:

- Visiting and spending time with senior citizens at an independent living home.
- Working on a garden at an assisted living facility.
- Working at a middle school cleaning, organizing and labeling Chromebooks.
- Working at an elementary school cleaning desks, chairs, tables and bookcases, and moving them out in the hall so the floors could be stripped and waxed so that everything is clean when the students return. Oh, and I shouldn't forget all the windows that were washed.
- Working at "Habitat for Humanity" store (Bridger did the heavy lifting).
- Working at "A Wider Circle" sorting donations, organizing furniture, household goods, children's items, and clothing. This site provided professional clothing, home needs, decorations, financial advice, a five-year plan and follow-up to educate people to be independent and provide for themselves.
- Working with "Our Daily Bread," an organization that provided breakfast and lunch to anyone who needed a hot meal.

The jobs were hard work and a change of pace for some of us, but as satisfying as the jobs were, we were also there to worship. Our day began with a short service, we had a devotion at lunch with our work group and we had a service in the evening after supper. After the evening service, we gathered together with our youth group and had one final devotion of the day. At this last devotion, we took turns talking about our day, sharing our experiences and discussing scripture. Each one of our youth was able to open up, answer questions, and pray for our group during the week.

At the end of the week, we had served people in Burtonsville, Baltimore, and the surrounding areas and made some new friends. On Friday, we had the opportunity to travel to Washington, DC and spend the afternoon in the new Museum of the Bible. What an experience! We expected to see some historical artifacts, but what we didn't expect was the over-the-top interactive experience that the museum provided. Set aside a good five or six hours if you ever get the opportunity to visit. Saturday, we began our day at the Pentagon's 9/11 Memorial. Then it was off to Arlington National Cemetery and the Tomb of the Unknown Soldier. After that, we walked to the Lincoln Memorial, World War II Memorial, and the Washington Monument. We ended the day with a tour of the White House. It was a great week! Once we returned, some of our youth jumped right into serving our church at Vacation Bible School the next week.

Thank You for all of your prayers while we traveled. They were much appreciated.

Mr. J.C. and Mrs. Lizzie Lennon established an endowment fund in First Baptist Church of Whiteville for the purpose of financially assisting college students through two scholarships.

The first scholarship is the **J.C. and Lizzie Lennon Christian Ministries Scholarship**, and it has been established to assist a student interested in preparing for the Christian Ministry. The second scholarship is the **J.C. and Lizzie Lennon General Studies Scholarship**, and it has been established to assist a student in pursuing an education in one of the North Carolina colleges or universities.

The qualifications are that the student must be an active member or regular participant in the activities of First Baptist Church and be accepted to attend or attending an accredited college or university. The awarding of scholarships will be based on financial need, scholastic achievements, and references.

Mr. and Mrs. Lennon's goal was to help young followers of Christ achieve success in their lives.

Funds are also available through the **Holt Youth Endowment Fund** for individuals interested in mission activities such as trips, camps, and other church-related activities that have a cost associated with them.

## VACATION BIBLE SCHOOL

Vacation Bible School last week at First Baptist was a huge success. Ages 2 through adult enjoyed Bible study, music and fellowship. Our children also enjoyed playing games and making crafts. Each day was filled with exciting new experiences.

Commencement this year was held on Sunday morning during the worship service. VBS participants performed songs learned during the previous week. The entire church was invited to a picnic following the service prepared by the Social and Family Life Committees.

A tremendous shout out goes to all the many workers who made this event a tremendous success. Thanks to the parents who took the time to make sure their children were in attendance. What a great time was had by all!
